Dear Valued Customer:

You are receiving this notice because your company has purchased the Part Numbers listed above in the previous two years.

Nordson Medical will be updating the part prints for these products to align with our current standards which will allow for consistent measurements at standardized locations across the product line. These updates may result in changes to dimensions identified on previous drawing revisions.

All print revisions will be completed on or before October 31, 2025.

**This is a change to product prints and dimensional callouts only. There is no change to form, fit, function, physical parts, tooling, or manufacturing processes.**

If you have any additional technical questions, please contact your Sales Account Manager or our customer service team at [orders@nordsonmedical.com](mailto:orders@nordsonmedical.com). We appreciate your business and want to thank you for choosing Nordson MEDICAL.

Sincerely,
