**Product Notification – DOC # 1861431**

**Affected Parts:** GMX150-PX and GMN75-PX

Dear Valued Customer,

As part of our ongoing efforts to simplify and optimize our product portfolio, we have identified redundant offerings and will be discontinuing the sale of the following products:

- GMX150-PX - Maxi Gasket, 1.5", Platinum Cured Silicone
- GMN75-PX - Mini Gasket, 0.75", Platinum Cured Silicone

**Reason for Discontinuation:**

These products were originally introduced as temporary alternatives to GMX455-PX and GMN450-PX during COVID-related supply chain shortages. Our supplier has fully recovered, eliminating the need to maintain these redundant SKUs.

**Key Details:**

- Last Time Buy (LTB) Period: Customers have 60 days from the date of this notification to place orders for these products.
- Fulfillment Window: All LTB orders must be fulfilled within 365 days of the notification date.

**Recommended Replacements:**

- GMX150-PX → GMX455-PX
- GMN75-PX → GMN450-PX

We encourage you to review your current and future requirements promptly and place any necessary LTB orders within the specified timeframe.

If you have any questions or need assistance transitioning to the recommended replacements, please contact your Sales Account Manager or our customer service team at [orders@nordsonmedical.com](mailto:orders@nordsonmedical.com).

We appreciate your business and want to thank you for choosing Nordson MEDICAL.

Sincerely,

A handwritten signature in black ink, appearing to read "J. Curry", with a stylized flourish at the end.
